Ph.D. Program at Manipal Academy of Higher Education

The Manipal Academy of Higher Education offers Ph.D. programs in various disciplines through its constituent institutions and departments.

Complete and updated information on Ph.D. and doctoral training program will be available at all times at

<https://manipal.edu/mu/academics/phd-mahe.html>

Handbook

The handbook is intended for prospective and present Ph.D. candidates, but the information will also be useful for supervisors, academic staff and administrative support staff. Members of expert evaluation committees and support staff involved in organising the public defense of thesis will also find useful information. The handbook focuses on the Ph.D. candidate and is therefore structured to meet their needs.

The following documents are available at

<https://manipal.edu/mu/academics/phd-mahe/handbook-downloads.html> from the website and are available as annexures in the handbook.

1. Application form
2. Format for PhD protocol submission
3. Course work grade sheet template

The panel shall include 10 examiners from India, preferably from outside the state of Karnataka. However, accomplished examiners from reputed institutions within the state may also be included. International examiners, if included, should be in addition to the 10 Indian examiners.
 - 16.4 The examiners must be the acknowledged leaders in the field of study undertaken by the candidate.
 - 16.5 A board of two examiners shall be appointed by the Registrar- Evaluation for assessment of the thesis. The University reserves the right to select suitable examiners who may not figure in the submitted list.
 - 16.6 The university shall ascertain from the external examiners their willingness to offer themselves as examiners for a particular thesis. A copy of the synopsis of the thesis shall be sent to the external examiners. On acceptance of the willingness, the thesis will be sent to them.
 - 16.7 The examiners shall submit a detailed critique on the thesis. Their recommendations for acceptance of the thesis must accompany a precise certificate that the candidate's work has advanced the existing knowledge on the subject and is a standard research work suitable for publication. In case, any of the examiners is of the opinion that the thesis has failed to achieve the desired standard, and is, therefore rejected, precise reasons for such rejection must be stated by the examiner. If the examiner feels that the thesis can be accepted after revision, he/she shall state the points on which revision is needed.
 - 16.8 The examiner may be requested to send some questions to be asked to the candidate at the time of viva voce examination to seek clarifications on the points raised by him/her. These questions / comments shall be made available to the examiners appointed for conducting the viva-voce examination before the commencement of the viva-voce examination.
 - 16.9 If the thesis is rejected by the examiners, it will stand rejected and shall not be referred to any other examiner.
 - 16.10 In the event that the thesis is rejected by only one examiner, it will be referred to another examiner from the approved panel. In case the thesis is approved by this examiner, it will be considered as unanimously approved.
 - 16.11 If one or more examiners recommend re-submission of the thesis after modifications, it shall be done within a maximum period of six months from the date on which the candidate is so informed by the university.
 - 16.12 In case of re-submission / rejection / modifications, the candidate has to submit one soft copy of the thesis in PDF format (one or more files of less than 10 MB size each).
 - 16.13 After the thesis has been approved by the examiners, a public defense of the thesis will be held, as well as the viva voce examination to adjudge the general proficiency of the candidate in the field of research work.
 - 16.14 The candidate shall be entitled to appear at the defense of thesis and viva voce examination only if the thesis is unanimously approved by the Board of Examiners.

- 16.15 When the thesis is approved, the candidate has to submit the final thesis (TWO copies in case of MAHE institutions, ONE copy in case of research centres) along with a soft copy in PDF format during the defense viva examination.
- 16.16 If the report from any one of the external examiners is not received within four months, the thesis will be sent to another examiner from amongst the approved panel.
- 16.17 The board of examiners for the viva voce examination shall consist of one external and one internal examiner. Ordinarily, the Supervisor/Co-Supervisor(s) of the thesis / any expert appointed by the university will be the internal examiner. One of the external examiners from India who assessed the thesis of the candidate will be the external examiner at the viva voce-examination.
- 16.18 The topic, date and the time of the defense of thesis shall be announced by the University well in advance so that the faculty members and other interested in the topic of the thesis can be present.
- 16.19 At the viva voce examination, the candidate's general proficiency in the subjects allied to the field of his study shall also be evaluated.
- 16.20 Those attending the public defense, who are not members of the board of examiners, can participate by asking relevant questions with the permission of the examiners.
- 16.21 The board of examiners shall take into consideration the views and criticism, if any, of the faculty members and others participating in the public defense of thesis.
- 16.22 However, the result of the examination shall be decided solely by the members of the board of examiners.

17. Originality of work

Plagiarism in the thesis in any form or part thereof is viewed seriously and penalized as per MAHE norms.

The plagiarism policy can be downloaded at

<https://manipal.edu/mu/academics/phd-mahe/handbook-downloads.html>

While submitting the thesis for evaluation, the dissertation/thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution.

All PhD theses submitted should be accompanied by a similarity index report where the similarity should not exceed 15%. While scanning for exact matches, option to be selected is "less than 3 words". Bibliography and words quoted can be excluded. First author papers which are included as annexures can be excluded

18. Publication of Thesis

- 18.1 The thesis shall not be published as a whole, without the permission of the University.
- 18.2 The university may grant permission for the publication under such conditions as it may impose.

19. Results

- 19.1 The candidate shall be declared eligible for the award of the degree of Doctor of Philosophy, only on the unanimous recommendations of the members of the board of examiners after the viva voce examination.
- 19.2 In case, the examiners are not satisfied with the performance of the candidate in the above examinations, the candidate shall be required to reappear for another viva-voce examination after a period of two months provided such specific recommendation is made by the board of examiners.

20. Award of Degree

- 20.1 Candidates who qualify for Ph.D. degree under the seal of the university and signed by the Vice Chancellor at the next convocation held for conferring degrees.
- 20.2 The TITLE OF THE THESIS shall be indicated in the degree certificate. The degree certificate shall not indicate the subject or specialty.
